Entitlement to work in the UK:

Any job offer will be conditional on you demonstrating the right to live and work within the United Kingdom as required by the Immigration Asylum and Nationality Act 2006. You will be asked to provide evidence of your entitlement should an offer of employment be made.

Experience, knowledge, skills, and abilities:

The person specification lists minimum requirements for this post. When shortlisting, the panel will only consider information that is written on your application form, and they will assess this information against the person specification. Where CVs are submitted these will not be used to make shortlisting decisions.

References:

Any job offer will be conditional subject to receipt of satisfactory references. We reserve the right to withdraw a conditional offer based on the references that we receive. One should be from your current or most recent employer, the second from a previous employment. It is important that both referees are able to comment on your suitability to the role.

Criminal convictions:

Anyone who applies to work with us will be asked to disclose details of unspent convictions. Whilst having a criminal record does not automatically bar you from working with us this will depend on the job that you have applied for and the nature of the conviction.

Data protection:

The information you provide will be held in the strictest confidence. We process information in line with our Privacy Policy and if you are successful in your application the information that we hold will be used to administer your employment with us. By making an application, we assume that you agree to the processing of your data in accordance with our Privacy Policy.

Equality, diversity, and inclusion:

Our aim is to have a workforce that reflects the diversity of talent and abilities drawn from across our community. In line with the Equality Act 2010, we will monitor the composition of our workforce to ensure it is representative and that staff are treated equally and fairly.

Unless stated that an 'Occupational Requirement' is in place for a vacancy, recruitment will be made on the basis of an applicant's ability and merit as measured against the job criteria.
