Advanced Online Training

Online training is split into 2 sections – a period of Self-study/e-learning which will take between 4-7 hours, and then a two-hour gathered session. We are collaborating with our neighbouring Districts to provide a wide range of dates

[2026/7 CSS Advanced Module - On-line Tickets, Multiple dates | Eventbrite](#)

Advanced In-Person Training

In-person training takes around 5hrs to complete and is a mix of conversation, videos and delivered training.
